## OPERATIONAL UPDATES ON THE CIEMAS GOLD PROJECT

---

The board of directors (“**Board**”) of Wilton Resources Corporation Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) wishes to provide an operational update on the Group’s Ciemas Gold Project.

The Board would like to update that the Sukabumi Regency, where the Group’s Ciemas Gold Project is located at, has been affected by the heavy rainfall caused by La Nina, a hydrometeorological disaster since early December 2024. The heavy rainfall had caused flash floods, landslides, power outage, and damage to roads and bridges. As a result of the power outage, the Group’s Processing Facility at the Ciemas Gold Project is unable to operate due to the lack of electricity. Whilst the Group is able to use the back-up fuel generators, operations can only be sustained temporarily. In addition, damages to the roads and bridges have prevented vendors from delivering new supplies of fuel to the mine site. The Group’s heavy equipment for mining has also been deployed to assist in emergency efforts in the surrounding areas.

Notwithstanding, there has been no damage to the infrastructure of the Group’s Processing Facility, as well as its supporting infrastructure to-date, and all headcount on the mine site has been accounted for.

Based on weather forecasts provided by the Meteorology, Climatology and Geophysics Agency of Indonesia, heavy rainfall caused by the La Nina phenomenon is expected to last till April 2025. The Company will continue to monitor the situation and make appropriate announcement(s) as and when there are material developments, including material financial impact to the Group, if any.

Shareholders and potential investors of the Company are reminded to exercise caution when dealing in the securities of the Company and are advised to read this announcement and any further announcements by the Company carefully. When in doubt, shareholders and potential investors of the Company should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisors if they are in doubt about the actions that they should take.
